From Time Out : Time Out Shortlist Madrid before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Shortlist Madrid:

Famed for its wild nights and lazy days, Madrid provides a whole lot more, whether your interests lie in spectacular

opera productions or chirpy folkloric zarzuela; in cutting-edge cuisine or ancient, tiled tabernas; in designer-shoe shopping or mooching around flea markets. Written by resident journalists, Time Out Shortlist Madrid also covers the artistic jewels housed in the Prado, Thyssen, and Reina Sofia, as well as the etiquette of watching a bullfight or joining in with a flamenco performance, as well as where to stay and how to escape the city heat. Time Out Shortlist Madrid is the essential companion to this most quintessentially Spanish of cities, with its famed trio of art palaces, its perfectly preserved taverns, its traditional fiestas and its riotous nightlife. Flamenco, film and football are also covered, alongside lodging, dining, museum, partying and shopping recommendations by local journalists.

"They're so up to date that even the locals will be asking you where it's at." Red "to make sure you're up to date with the latest cutting-edge hotspots, check out the new Shortlist series from Time Out" WanderlustAbout the AuthorFounded in 1968, Time Out has grown from humble beginnings into the leading resource for anyone wanting to know what's happening in the world's greatest cities. Alongside our influential weeklies in London, New York, Chicago and Dubai, we publish more than 20 magazines in cities as varied as Beijing and Beirut; a range of travel books, with City Guides now joined by pocket-sized Shortlist series; and an information-packed website. The company remains proudly independent, still owned by Tony Elliott four decades after he launched Time Out London. Written by local experts, and illustrated with original photography, our books also retain their independence. No business has been featured because it has advertised, and all restaurants and bars are visited and reviewed anonymously.
