Time Out : Time Out Shortlist Rome: 2007 before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Shortlist Rome: 2007:

3 of 3 people found the following review helpful. Best City GuideBy nhbkcaTHis book is compact, well organized,

and informative, without having too much info. The restaurants it recommends are FANTASTIC, and all of the information about opening and closing times was accurate. I wouldn't travel with any other book.

Includes everything from Rome's ancient monuments and spectacular galleries to the sybaritic new Turkish baths and where to take gladiator lessons. Features local advice on great restaurants and dodging tourist traps. Reveals budget lodging options including nunneries, campsites, and youth hostels.
