1 of 1 people found the following review helpful. Handy little guide bookBy M. LindleyLike all Time Outs, it gives you the basic info you need to know, and this pocket guide is easy to keep in your bag or pocket (big pocket). The maps are not in detail enough to get around in the tiny streets of Rome, but you can get a free map of Rome nearly

everywhere there anyway. Overall, good book2 of 2 people found the following review helpful. Time Out Shortlist RomeBy lillynbloomI liked the layout of this book better than some other guides we ordered for Rome. The format seems easier to use than the DK guide.

Perfect for frequent visitors or those on a quick trip, this easy-to-use, up-to-date guide spotlights all that's new and noteworthy in the Eternal City. It divides Rome into six areas, each with suggestions for eating, drinking, shopping, sightseeing, clubbing, and more. The comprehensive arts and cultural coverage includes an in-depth look at Rome's superb museums and antiquities.
