They love the book as it introduces, in an entertaining way, the sights they will see for their stay. The CD is a fun way to learn more. Great book! 2 of 2 people found the following review helpful. Great Travel Story for Kids By Michael Stroschein Tino Turtle's adventures in London take the reader on a wonderful ride through the cultural differences one finds when visiting England. The clever illustrations of Neallia Burt Sullivan bring the story to life as the inquisitive desert tortoise visits an English classroom, sees Big Ben and even gets a picture of the Changing of the Guard. The end of the book finds the traveling turtle back in his desert burrow with expectations of future travels. A great book to introduce children to cultural diversity, geography and travel. Along with the book comes a CD that contains both a sing-along and the story read aloud by Las Vegas voice personality Ryan Ahern. The combination of CD and book make the Travels of Tino Turtle an instant hit with children and parents alike. At Neighbors Bookstore we had the good fortune to have both the author and narrator in the store for an afternoon of signing, reading and delights. During their visit Carolyn and Ryan put on a thoroughly professional and entertaining show that kept the customers and staff enthralled for hours. Carolyn is a delight to work with and Ryan Ahern gives the stories a whole new dimension with sound effects and vocalizations. 3 of 3 people found the following review helpful. What a great concept!! By JB The Tino Turtle books (England and France) are just too adorable. The illustration is amazing...and the story is cute and so informative...I felt like I, myself, went to these places...The CD that comes with it, is very helpful and really good, because I can put it into the player

and the music plays, my kid dances along and then the story is being read and you hear sound effects, etc...This would be great for schools and daycares...I can visualize kids sitting in the circle and listening to the story while looking at the pictures...I would like to highly recommend the Tino Turtle Travels books to any parent and teacher...for kids from very young to teens...even adults as you will learn about the city...The Paris one even has some French language with glossary and all...([...]).I hope that more of these books come out soon...I'd love to travel to Italy...

Includes CD with reading and music sing-along! Tino Turtle Travels to London, England... Travel with Tino Turtle when he makes a special guest appearance during show and tell at his pen pal Percy's school. Climb top level of a double-decker bus as he explores the city of London. Cruise down the river Thames just in time to hear Big Ben striking 12 noon! Find out how Tino finds his way home to his desert burrow before his hibernating sleep ends. Book includes music sheet for sing-along song and Tino's adventure on a map. Tino Turtle is unique. Many times, when entering his burrow for his long winter sleep, he wished to travel and see the world. Finally, his Fairy God Turtle grants his wish. Now this endearing character fulfills his fantasy and mission...to meet new friends and travel to far away places. He explores historical landmarks and the culture of other people around the world. He teaches his readers facts about new cities in an exciting way by taking them on an adventure in travel. Tino sincerely hopes that his readers will enjoy his stories and find them to be a truly fun experience. He appreciates and thanks all his friends for joining him on his travel adventures. Tino Turtle invites adventurous children and their parents to enjoy a magical series of original stories. Join Tino Turtle on his visits to England, France, Mexico, Kenya and China, and learn historical and cultural highlights of many favorite attractions.

Ahern is a wife, homemaker, and Registered Nurse, with a BA in psychology, who spent most of her life living in the Las Vegas desert where she became endeared with the desert tortoise. The idea for her Tino Turtle Travels book series plush collection came to her as fun way to share her joy of travel and love of the desert tortoise with children. As an advocate of early childhood literacy, she has lovingly developed the character Tino Turtle, adventure traveler. With each book, Carolyn hopes to nurture children's minds with an entertaining combination of fiction and true historical facts, as they explore each new travel destination with their friend, Tino Turtle.
