Riccardo Vitale : Tips Tricks for your first time in Rome: Walking in the city, few itineraries to see the best! before purchasing it in order to gage whether or not it would be worth my time, and all praised Tips Tricks for your first time in Rome: Walking in the city, few itineraries to see the best!:

Rome is one of the few cities in the world having more than 2700 years of history and you can easily perceive it looking at ancient and less ancient testimonies spread everywhere in the city. So, to facilitate the tourists particularly the ones coming in Rome for the first time, I recommend few itineraries to touch at least, what you cannot miss in your trip.
