**Nic Davies, Samantha Jones, Brian Swinbanks : Tobermory** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tobermory:

Tobermory, the principal town on the island of Mull, is one of the prettiest towns in the Hebrides. Its principal street, Main Street, with its buildings painted in distinctive bright colors, is also one of the most well-known views in Scotland. This book includes the work of three local photographers, uniquely qualified to capture the spirit of this magical place in all its moods.

About the Author Nic Davies has worked in wildlife conservation and animal welfare since 1989. He now lives on Mull, engaged in photography, wildlife guiding and the conservation of otters and marine species. Samantha ('Sam') Jones is a landscape photographer who runs her business, Islandscape Photography, on Mull. She was RNLi Photographer of the Year in 2011 and a finalist in the Scottish Nature Photography Awards in 2013. Brian Swinbanks is an Industrial and Graphic Designer. He has designed Children's Toys at Raleigh Bicycles and was awarded with brother Duncan a British Design Award.
