DK Publishing : Top 10 Amsterdam (EYEWITNESS TOP 10 TRAVEL GUIDE) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Top 10 Amsterdam (EYEWITNESS TOP 10 TRAVEL GUIDE):

5 of 5 people found the following review helpful. Missing some of the pretty pictures I expect in a travel guide
By Sheila McGee-Smith This was a test as I'm leaving on a three country, ten-day trip. Wondered if the Kindle versions of travel books would work out. I would say there are pros and cons. Pros: search ability, and the hypertext links to various sections of text. Cons: very small pictures not very high-resolution on my iPad 4. Overall, made decision to do this instead of buying three books and lugging them around. Since I'm only in each city for three or four days, the Top 10 books seem like a great choice. I've been to all of the cities before, just wanted updated information on museum times, restaurants, etc.
2 of 2 people found the following review helpful. The information is basic at best, but the lack of decent navigation really turned me off these.
By Codybeans The information is basic at best, but the lack of decent navigation really turned me off these. I've purchased DK books for years and really like the pictures, maps, etc. I was really looking forward to getting them digitally on my iPad. Sadly after downloading these, I find out they are basic text with links to pictures, but next to zero navigation to go back to the first page you're on that gave you the link in the first place. Maps are useless. You can't zoom in and the hyperlinks didn't work. I contacted , and they were fantastic at returning them without any drama.
4 of 4 people found the following review helpful. A MUST to see Amsterdam!
By Teri Marconi While I wish they had the in-depth version of "DK Eyewitness Travel AMSTERDAM" we loved using it while there...and use DK books almost exclusively while traveling. We find that MANY of the restaurants that are recommended are excellent and that the descriptions of the sites are to the T. One of the most important differences we see with the DK books are the METRO/BUS guides that are included and inserted in the pages as you are site-seeing. Very handy and most useful when you want to get somewhere quickly and efficiently.

DK Eyewitness Travel Guides: the most maps, photography, and illustrations of any guide.
