DK Publishing : Top 10 Amsterdam (Eyewitness Top 10 Travel Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Top 10 Amsterdam (Eyewitness Top 10 Travel Guides):

5 of 5 people found the following review helpful. Missing some of the pretty pictures I expect in a travel guideBy Sheila McGee-SmithThis was a test as I'm leaving on a three country, ten-day trip. Wondered if the Kindle versions of travel books would work out. I would say there are pros and cons. Pros: search ability, and the hypertext links to various sections of text. Cons: very small pictures not very high-resolution on my iPad 4. Overall, made decision to do this instead of buying three books and lugging them around. Since I'm only in each city for three or four days, the Top 10 books seem like a great choice. I've been to all of the cities before, just wanted updated information on museum times, restaurants, etc.2 of 2 people found the following review helpful. The information is basic at best, but the lack of decent navigation really turned ...By CodybeansThe information is basic at best, but the lack of decent navigation really turned me off these. I've purchased DK books for years and really like the pictures, maps, etc. I was really looking forward to getting them digitally on my iPad. Sadly after downloading these, I find out they are basic text with links to pictures, but next to zero navigation to go back to the first page you're on that gave you the link in the first place. Maps are useless. You can't zoom in and the hyperlinks didn't work. I contacted , and they were fantastic at returning them without any drama.4 of 4 people found the following review helpful. A MUST to see Amsterdam!By Teri MarconiWhile I wish they had the in-depth version of "DK Eyewitness Travel AMSTERDAM" we loved using it while there...and use DK books almost exclusively while traveling. We find that MANY of the restaurants that are recommended are excellent and that the descriptions of the sites are to the T. One of the most important differences we see with the DK books are the METRO/BUS guides that are included and inserted in the pages as you are site-seeing. Very handy and most useful when you want to get somewhere quickly and efficiently.

Drawing on the same standards of accuracy as the acclaimed DK Eyewitness Travel Guides, The DK Top 10 Guides use exciting colorful photography and excellent cartography to provide a reliable and useful pocket-sized travel. Dozens of Top 10 lists provide vital information on each destination, as well as insider tips, from avoiding the crowds to finding out the freebies, The DK Top 10 Guides take the work out of planning any trip.

Wanderlust Travel Awards 2009– 2014 "This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overview... loaded with practical and useful content." – Gadling.com "Known... for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." – Chicago Tribune "The best option... Color photos, maps, and diagrams bring the place to life." – The Philadelphia InquirerAbout the AuthorAbout DK Eyewitness Travel Guides: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations.
