Jeffrey Kennedy : Top 10 Andalusia Costa Del Sol (EYEWITNESS TOP 10 TRAVEL GUIDE) before purchasing it in order to gage whether or not it would be worth my time, and all praised Top 10 Andalusia Costa Del Sol (EYEWITNESS TOP 10 TRAVEL GUIDE):

1 of 1 people found the following review helpful. Nothing like the printed publication, complete waste of moneyBy

CustomerThe dumbest thing about the Kindle edition is that all the maps are just URL to Google Map.How am I supposed to have a web connection when I'm traveling abroad!?!?!? If I had a constant web connection, I wouldn't need a guidebook in the first place!Another thing I hated was that all the images were grouped separately at the end of the book. It makes you read text, click on a link to see the image, go back to the text section. Going back and forth really slowed down the reading experience.Also, some texts are links which take you to another section in the book, but there's no way to go back to where you were! Hitting the phone's back button closes the book and takes you to Kindle library.Complete waste of money!0 of 0 people found the following review helpful. By math220 of 0 people found the following review helpful. Lousy guide. Waste of moneyBy S YI also am a great fan of the eyewitness series. However, having purchased this Andalucia guide on kindle, I am very disappointed. It gives very brief information in places and misses out on essential information most of the time. For Seville, for example, it only mentions the AlCazar without listing much else!!!I most certainly feel that I have been duped with this one. I plan to complain to .

DK Eyewitness Travel Guide: Top 10 Andalucia and Costa del Sol will lead you straight to the very best this region has to offer.
