We were staying in Brugge for only 2 days so we wanted to hit the highlights. I found it hard to find books for this area. The size is perfect to carry around and the color maps were great (including street index).The book only covers the cities mentioned in the title.Brussels gets 23 pgs, Bruges 15 pgs, Ghent 8 pgs, Antwerp 23 pgs.There are many pages that cover all of the cities and the book has a "Top 10" theme throughout. "Top 10 Belgian Artists" "Top 10 Beers" "Top 10 Moments in Belgian History" etc. They also have Hotel recommendations and well as general travel tips.There is a phrase list in the back for French and Dutch. For each city, DK tries to give you a one day itinerary in case you would like guidance. The pictures are also superb - that is one thing I love about DK Eyewitness books.One thing I don't remember, but would be helpful is a list of "day trip" locations from each city. If you are going to Bruges/Brugge, I highly recommend going up to the Coast/NorthSea. It is just a 10-15 minute train ride to Blankenberge or Knokke and the cost is maybe 5 euro roundtrip on the rail.0 of 0 people found the following review helpful.
