Small, insightful and just what we needed to get around Crete without a tour guide. It informed us that Cretans use the shoulder on the highway just like another lane. Unwritten rule: slower traffic "has" to move to the shoulder, so the faster cars can pass them. If not, you'll have someone glued to your rear bumper on the single lane highway the entire trip.0 of 0 people found the following review helpful. Wonderful for travel planning!By Larry N. StoutI should copy and paste my plaudits for the DK travel guides, because they are uniformly splendid in their informativeness and maps, photos, and diagrams. Read this, plan your trip accordingly, and GO!2 of 2 people found the following review helpful.
