Robin Gauldie : Top 10 Cyprus (Eyewitness Top 10 Travel Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Top 10 Cyprus (Eyewitness Top 10 Travel Guides):

0 of 0 people found the following review helpful. First Cyprus visit
By Edward Bradbury
Very useful starter kit for Cyprus. After following most of the top ten we felt at home and explored other interests. I recommend it for your first visit.
6 of 6 people found the following review helpful. Great for what it does
By Matt Ebner
Probably no independent traveler would want to have DK Top 10 as their only guidebook when traveling to Cyprus, but it is an excellent complement to a more thoroughly written guidebook like Rough Guide or Lonely Planet. The compact size, innumerable photos, and excellent organization make it a joy to carry, and provide many ideas for photographers who seek the best vantage points for their shots. DK Top 10 Cyprus is a fun book to peruse, simple to read, and very reasonably priced. Highly recommended for anyone going to Cyprus; just don't forget to bring another guidebook like Rough Guide if you plan to do any independent traveling.
6 of 6 people found the following review helpful. Simply the best
By Kirsteen
Pocket-sized, interesting and brilliantly illustrated. Packed with a wide range of info, from watersports, eating and family fun to the best of art, history and beauty. So easy to read that it's hard to put down, it enabled me to have the holiday of a lifetime in Cyprus.

From Aphrodite's Rock in Pafos to the superb beaches of the Ammochostos Region - this highly illustrated guide is packed with the best Cyprus has to offer.
