An indispensable aid. The section covering day trips is very valuable. Do not miss the Giant's Causeway in Northern Ireland, just awesome. 3 of 3 people found the following review helpful. Concise and Informative By Gigi After reading several travel guides, I was totally impressed with this Eyewitness Guidebook. It basically narrowed down the best attractions of Dublin, as well as other major areas around Ireland. We visited 8 out of the 10 recommended and we were NOT disappointed in any of them. We also ate at several of the restaurants/pubs that were listed in the guide and were very pleased with the quality of food in all of them. I will definitely buy additional "Top Ten" books for other places we plan to visit. 0 of 0 people found the following review helpful. Great Book By jspecht I love this book and I work in a library. Portable, too.
