The only reason I gave it four stars is that the pages are shiny and create a glare that makes it difficult to see under certain lights. Also, there's a lot of information packed in these books so the print is pretty small.1 of 1 people found the following review helpful. Malta and Gozo Top10 Guide a great buy.By N. AttardThis book was easy to use, I referred to the pull out map frequently which was small enough to slip into my purse.2 of 2 people found the following review helpful. Top 10 Malta and GozoBy chuck's reviewsMy wife and I spent a week in Malta and this book traveled everywhere with us. Easy, quick and indispensable, the only way to see all the important parts of the Country.
